

It's always a treat selling with Bernards!

Get involved in Berewood Halloween activities

Berewood residents are invited to book onto free Halloween craft sessions being held throughout the day on Saturday 30th October at Newlands Community Hall, where children will make cute and creepy decorations using lots of fun techniques. Full details and links to book are on the Berewood Hampshire website.

3 trick or treat tips to have a fun and safe Halloween

1. A lit pumpkin in your porch, window or on your doorstep signals that you welcome trick or treaters... it's polite etiquette to only knock on doors where the inhabitants are into the spirit of Halloween!

2. After dark, it can be tough for drivers to see little ones walking along the street. If you're out trick or treating, carry glow sticks and torches and add reflective tape to costumes to increase a child's visibility.

3. The Teal Pumpkin Project seeks to raise awareness of food allergies and promote an inclusive Halloween. Houses displaying teal colour pumpkins provide non-food treats to trick or treaters.

5 easy steps to help save ££ on your energy bills

It's the time of the year we're thinking of switching on the heating but with rising energy costs, we'd like to keep warm and cosy without it costing the earth.

1 Many people have their central heating set higher than it needs to be. Try turning down your room thermostat by 1 degree. Keep turning it down a degree each day until it gets too cool for you, then turn it up 1 degree for a comfortable temperature.

2 If there's a room in your home that you don't regularly use, turn off the radiator in it and close the door.

3 Having a shower, rather than a bath, will use less hot water.

4 Close the curtains and tuck them behind the radiators in all rooms to retain heat when it gets dark.

5 Use a hot water bottle to warm the bed up, instead of an electric blanket.

Save the date!

Berewood residents fireworks display is on

 Wednesday 3rd November

 6.30pm

 Berewood Town Park

Thinking of moving in 2022?

If you're looking ahead and considering a move next year, why not ask us for a free market valuation now? We will give you an accurate view of what your house is worth so as soon as you are ready, you'll be in the perfect position to arrange your finances and consider your next property purchase.
