CREATING A CALM AND CONNECTED PLACE

St John's Square is a local landmark reimagined for modern living; an exclusive collection of characterful homes with high-spec interiors, set in one of the South Coast's most vibrant neighbourhoods. With the seafront, Southsea Common, independent shops, and the King's Theatre all nearby, this is a place where comfort, connection, and a sense of belonging come together.

A plan for living

A HOME FOR EVERY HOUSEHOLD

St John's Square sustainably reuses and reimagines former school buildings, complementing characterful details with contemporary luxury and the clean lines of sensitively-designed new-builds. Mature trees and newly-planted gardens add to the sense of a perfect balance between new and old.
